ENDEAVOUR FOODS WINS AHA (WA) BANKWEST HOSPITALITY SUPPLIER AWARD'S BEST RESTAURANT SUPPLIER, 2020-2021

Perth, WA, 12 April 2021 – Fremantle seafood and foodservice supplier, Endeavour Foods, was presented with the WA Best Restaurant Supplier award at this year's Australian Hotel Association Awards at Crown Towers for their outstanding service in supplying WA's hospitality venues.

The awards recognise excellence in product and service delivery across WA's hospitality industry.

Australian Hotels Association (WA) CEO Bradley Woods said in light of the challenges faced by the industry over the past 12 months, the 2021 awards were particularly important in helping recognise industry suppliers who helped keep WA's hotels, bars, pubs, taverns and restaurants afloat.

"WA's hotel and hospitality industry navigated the COVID-19 crisis extraordinarily well, due in large part to the extraordinary assistance and agility shown by industry suppliers," Mr Woods said.

"Businesses servicing WA's hotel and hospitality industry played a critical role in keeping venues open and trading by working closely with their clients, demonstrating flexibility with accounts, waiving fees and allowing stock to be returned."

"Their understanding and direct financial assistance allowed venues to pivot quickly, saving many thousands of jobs."

Managing Director and Founder John Sharland, accepted the award, saying, "We are grateful to receive this award and be recognised as a business that has grown solely through word of mouth. It is a credit to the hard-working team at Endeavour Foods that provide our customers with consistent, top quality service, and to our primary WA producers who work so closely with us. But of course, it would not be possible without the support of our loyal customers who continue to work in partnership with us every day."

Endeavour Foods supplies several of Perth & Fremantle's top restaurants, with a strong focus on premium Western Australian seafood that is sustainably caught and harvested. They are currently celebrating their 20th year in operation and are one of the few restaurant wholesalers that remain proudly WA owned.
