ENDEAVOUR FOODS WINS WA PRODUCT SUPPLIER OF THE YEAR AWARD AT THE 2021 RESTAURANT & CATERING AWARDS

Perth, WA, 9 August 2021 – Fremantle seafood and foodservice supplier, Endeavour Foods, was presented with the WA Product Supplier of the Year Award at the 2021 Western Australia Restaurant & Catering Hostplus Awards for Excellence at Optus Stadium, for their outstanding service in supplying WA's restaurant and catering industry.

Managing Director and Founder John Sharland said, "We are thrilled to win this award that reflects what our business strives to be; the best supplier of produce to those in the WA hospitality industry. We work really closely with our primary producers to ensure we can provide the freshest, best quality product to our clients on a consistent basis. This award would not be possible without the ongoing support from our loyal customers, many who have been with us since the beginning, and of course our team who work so hard every day to service these customers as best we can."

The Restaurant & Catering Association Awards for Excellence are a nationally recognised, independently judged awards program that celebrates exceptional service and culinary talent across the state. The industry association represents tens of thousands of restaurant and catering businesses across Australia.

Restaurant & Catering Association of Australia CEO, Wes Lambert said "This year has in many ways been a repeat of 2020. It has thrown up even more disruptions & challenges. With so much of our country currently still grappling with lockdowns and restrictions, it is so fantastic to be able to gather and celebrate the best that our industry has to offer."

The Endeavour Foods team of professionals provides the WA hospitality industry with premium seafood and foodservice solutions with knowledge to provide consistency and advice on seasonality. Their point of difference is that they offer their key accounts personal, flexible and adaptable service to ensure all their loyal customers can run their businesses smoothly, with consistency and reliability.

Endeavour Foods is currently celebrating 20 years of operations as a wholly WA owned and operated business.
